# NAVYUG ACOUSTICS PVT LTD

## The House of Acoustic

Established in the year 2000, we, Navyug Acoustics Pvt Ltd a unit of Navyug Traders, engaged in distributing, supplying, trading and exporting an exclusive range of Building Material. These products are used in commercial & residential establishments, hotels and offices for the purpose of furnishing the building. We offer our clients with a comprehensive range of Acoustic products, Wood Substitute, Boards, Gypsum Ceiling Tiles, Acoustic Ceilings, Interior and Exterior solutions. Our products are highly acclaimed for features like durability, fire-resistance, and easy installation. We also undertake orders to supply customized products as per the configurations provided by our clients. These products are manufactured using premium quality raw material and advance technology at our vendors' end. We select our vendors after conducting in-depth study of the market.

Our professionals ensure that the entire range is tested on the basis of certain pre-defined parameters before being delivered at the clients' end. Furthermore, our infrastructure is equipped with all the facilities that are needed to test & store the products. Under the able mentorship of our leader, 'Mr. C N Rajan', we have established a strong foothold in the market. His in-depth domain knowledge and vast experience have helped us in mustering a huge clientele all over Indian Subcontinent.

We are highly admired across the country due to the prompt execution of all our services which provide the customers utmost satisfaction and leave a touched, moved and inspired impact on their mind. All our **acoustical engineering solutions** are creatively executed at the place where sound quality does matters. We have gained a wide acclamation from our strongly connected clientele and offer them our desired services for the **Auditorium, Homes, Cinema, Conference Rooms, Malls, Offices, Studio, Pubs and Nightclubs**. Our well-versed team of engineers and technicians enables us to solve out the problems occurred during the execution of services and also analyze, perform and finally deliver the best solutions that provides extra comfort, ambience and right feeling with an absolute impeccability.

We are marketing leading acoustics contractor for Specially Cinemas Auditoriums, Banquet Halls Ceiling & total acoustics solution. We are also distributors, dealer of major acoustics products manufacturing Companies in India & abroad. We are taking all acoustics works in India & Abroad.

Navyug shall enhance the needs and expectations of the industry through continuous phenomenal growth and planned innovation using state-of-art-technologies, by providing world-class products and services in Acoustics Solutions.
